

# DO YOU WANT TO UPDATE YOUR KNOWLEDGE IN KEY AREAS OF DEMENTIA CARE?

## KNOWLEDGE TRANSFER WORKSHOPS

FRIDAY 20 APRIL 2012

The Sebel Playford, 120 North Terrace, Adelaide, SA

**THERE IS A PROBLEM. RESEARCH IS TAKING  
TOO LONG TO FIND ITS WAY INTO PRACTICE.**

The Dementia Training Study Centres (DTSC) and the Dementia Collaborative Research Centres (DCRC) are determined to speed up this process.

The SA/NT Dementia Training Study Centre is hosting a day of workshops and presentations that will update your knowledge of some key areas in the care of people with dementia.

The workshops will provide an update on research, an exploration of its practical application and an opportunity to put forward your ideas on the direction future research should take. They will be led by the researchers from the Dementia Collaborative Research Centres who are actively researching in these areas so that the information provided will be the most up to date available.

## WORKSHOP PRESENTERS
