Professional Development Opportunity

Sexuality and Dementia in the Care Setting

Presented by Dr Michael Bauer

This seminar will raise awareness and examine current practice issues, research and clinical implications related to sexuality and dementia.

Topics will include the expression of intimacy in care settings; barriers to the expression of sexuality; identifying and responding to dementia related sexual behaviours, and key ethical and clinical considerations.

By the end of this seminar, participants will:

1. Have increased awareness of current practice issues, research and clinical implications related to sexuality and dementia.
2. Developed an understanding of the importance of the expression of intimacy in care settings; and barriers to the expression of sexuality.
3. Be able to identify and respond to dementia related sexual behaviours and key ethical and clinical considerations.

Date: Wednesday 7 November 2012

Time: 2.00pm - 5.00pm

Venue: Seminar Room
Alzheimer's Australia SA
27 Conyngham Street

Professional Development Opportunity

Sexuality and Dementia in the Care Setting

Presented by Dr Michael Bauer

Recommended for

Health professionals working with people living with dementia. Including, but not limited to, doctors, nurses, occupational and diversional therapists, physiotherapists, psychologists, social workers, speech pathologists and tertiary level students.

About the presenter

Dr Michael Bauer

PhD; M. Gerontology; BA; Dip Ed

Dr Michael Bauer is a senior research fellow at the Australian centre for Evidence based Aged Care and La Trobe University. His work is aimed at improving the care of older people by advancing service delivery through research. Current research projects are focused on staff-family relationships and sexuality in long term care facilities.

He has published widely and has been invited to speak internationally on the topic of *Sexuality and Dementia in the Care Setting*, which is still on the margins of the policy and training landscape for many aged care service providers.
